SELECTION PROCESS:

The City will select vendors based on the types of foods offered and by the date the application is received. We desire to provide a balance and variety of high quality, healthy foods to the public. **The City does not offer exclusive rights to any one vendor to sell any one product.** Park patrons generally benefit from having choices for a specific product or similar products. However, if the City believes the number of vendors offering the same or similar products is excessive, duplicate products or vendors will be denied.

Completion and submission of this application does not guarantee acceptance. Once accepted, vendor must provide copies of checked requirements and pay necessary fees prior to the issuance of the permit.

QUALITY OF PRESENTATION AND WHAT WE PROVIDE:

We require that all participating food vendors provide a professional presentation. Vendor signage and banners must be clean and professional looking. If available and practicable, the city may supply access to electricity and water.

ANNUAL FEES

- Mobile vendor carts - \$50.00
- Stationary food vendor - \$500.00.
Fee will be reduced to \$400 if vendor executes and abides by the "Healthy Food Choices Agreement."
- Stationary non-food vendor - \$300.00
- Stationary combination of food and non-food vendor - \$650.00

Unless otherwise provided, vendors authorized through program this **are not permitted to operate during City sponsored or privately organized special events.** Separate vendor permits and fees may be required for vending at special events.

PARK VENDORS SHALL:

1. Abide by all park rules;
2. Utilize space as designated by the City representative.
3. Seasonal Permit is valid only for Legion Park, Centennial Park, Burlingham Park and Settlemier Park from 7:00 a.m. to dusk.
4. Permit is valid only for one vending cart, conveyance or vehicle.
5. Permit will expire each year on November 15.

Please carry your Park Vendor Permit with you when vending in the park, as City employees will perform spot checks to ensure vendors are authorized.

Healthy Food Choices Policy

Marion County Healthy Health Department/ City of Woodburn

Subject:

Research has shown that small things can impact health. It is believed that small steps such as eating healthier foods may help reduce obesity. In the interest of the health and well-being of customers, employees, and residents of Marion County as a whole, the City of Woodburn is committed to offering healthy food choices, and will adopt a policy that asks vendors to offer healthy food options, based on the nutritional guidelines listed below.

Sale of Foods Policy:

In an attempt to increase the health of our community, **at least four** of the items sold at _____, a community vendor, will be healthy food options (e.g., foods/beverages that meet the nutritional guidelines listed below). Of these four healthy food options, at least one should be from category two below. Healthy food options will be identified as such so that consumers know which items meet the nutritional guidelines.

The healthy food options at our vendor booth will meet the following nutritional guidelines:

Category 1: Beverage(s): Within the following guidelines:

- a. Plain Water (Does not include additives, carbonation, or any sweeteners, either caloric or non-caloric.)
