Zone Changes are Type IV decisions under the Woodburn Development Ordinance. The Planning Commission conducts a public hearing on the proposal and forwards its recommendation to the City Council. Notice of the Commission’s hearing is mailed to surrounding property owners and posted on the subject property. After receiving the Planning Commission’s recommendation, the City Council conducts another public hearing and makes the City’s decision. Notice of the Council’s hearing is posted in a local newspaper. The Council’s decision may be appealed to the Land Use Board of Appeals. State law gives the City 30 days to determine if the application is complete, and another 120 days to finish the decision process. A typical Type IV application – one that is complete upon submittal – is usually finished in 10 to 16 weeks.
