

COUNCIL BILL NO. 3163

RESOLUTION NO. 2178

A RESOLUTION TO CHANGE THE BOUNDARY OF- AND FORMALLY ACKNOWLEDGE THE CHANGE IN NAME OF THE WOODBURN ENTERPRISE ZONE

WHEREAS, in 2010, the City of Woodburn successfully applied for an Oregon enterprise zone, which was designated the Woodburn Enterprise Zone; and

WHEREAS, in 2014, Business Oregon approved a request from the City of Woodburn to expand the boundary of the zone, incorporating the City of Gervais and renaming the enterprise zone to the Woodburn-Gervais Enterprise Zone; and

WHEREAS, in June 2021, the City sponsored the re-designation of the Woodburn-Gervais Enterprise Zone; and

WHEREAS, the City of Gervais elected to not join as a co-sponsor in the application to Business Oregon for re-designation of the Enterprise Zone; and therefore, the enterprise zone re-designation included only the area within the boundary of the Woodburn city limits; and

WHEREAS, the City of Woodburn now desires to modify the boundary of the Enterprise Zone by removing approximately 105 acres of land that includes Tax Lots 052W110000400, 052W110000500, 052W110000600, 052W140002400, and 052W140002500 (lots 1-5 of the I-5 Logistics Center subdivision) (the "Property") from the re-designated zone area; and

WHEREAS, the Property to be removed from the boundary of the Enterprise Zone was recently purchased by-, and is now owned and controlled by Amazon.com Services LLC ("Amazon"); and

WHEREAS, Amazon, through the commercial development firm, Trammell Crow Company, is currently seeking planning and building permit approval from the City of Woodburn to complete construction of an industrial facility on the Property; and

WHEREAS, Amazon has conveyed to the City of Woodburn and publicized that it would not apply for the Enterprise Zone tax abatement program as a part of its development of the Property and has not submitted an application to the City of Woodburn for exemption from property taxes under ORS 285C.175; and

WHEREAS, on July 7, 2021, the City of Woodburn issued a Grading Permit (GRAD 21-06) to McKenzie, an Architect and Engineering firm subcontracted by Trammell Crow Company, to begin site preparation work at the Property on behalf of Amazon, and work has since commenced under that Permit; and

WHEREAS, a City of Woodburn grading permit allows the subject applicant with authorization to undertake ground disturbing activities on the identified site, including ground clearing, grading, and cut or fill work; and

WHEREAS, Amazon, by beginning the identified site grading work, has engaged in physical work of a nature that includes site preparation that is intended to lead directly to construction or installation of qualified property; accordingly, pursuant to Business Oregon's rules on timely submission (OAR 123-674-2000), the City of Woodburn would be unable to accept an application from Amazon for Enterprise Zone tax abatement for the Property; and

WHEREAS, by vesting in the proposed development project at the Property, Amazon has made the Property ineligible or otherwise "not available" for enterprise zone tax exemption; and

WHEREAS, pursuant to ORS 285C.115(4)(a), the City of Woodburn is proposing only to remove land—the Property—from the Enterprise Zone, which is no longer available for use by eligible business firms; and

WHEREAS, pursuant to ORS 285C.115(2), the amended Enterprise Zone shall continue to include all authorized business firms within the zone boundary, shall not add any residential areas or nonresidential areas that are adjacent to residential areas, and shall retain at least 50 percent of the lands in the original Enterprise Zone; and

WHEREAS, the enterprise zone, as amended, will have a total area of 4.859 square miles, and it meets other statutory limitations on size, configuration, and distance requirements, and it is depicted on the drawn-to-scale map (Exhibit A) and described by tax lot description (Exhibit B); and

WHEREAS, the City of Woodburn shall continue to fulfill its duties and implement provisions under ORS 285C.105 or elsewhere in ORS Chapter 285C and related parts of Oregon Law; and

WHEREAS, the modification of this enterprise zone does not grant or imply permission to develop land within the zone without complying with prevailing zoning, regulatory and permitting processes and restrictions for applicable jurisdictions; nor does it indicate any intent to modify those processes or restrictions, except as otherwise in accordance with the

Comprehensive Plans as acknowledged by the State of Oregon Land Conservation and Development Commission (LCDC); and

WHEREAS, the municipal corporations, school districts, special services districts, and so forth that receive operating revenue through the levying of ad valorem taxes on real and personal property in any area of this Enterprise Zone, as amended, were sent the legally required notice regarding this boundary change; and

WHEREAS, The City of Woodburn appreciates the impacts that a designated enterprise zone would have and the property tax exemptions that eligible business firms might receive therein, as governed by Oregon Revised Statutes (ORS) Chapter 285C and other provisions of Oregon Law; and

NOW, THEREFORE, THE CITY OF WOODBURN RESOLVES AS FOLLOWS:

Section 1. Acknowledging the withdrawal of the City of Gervais as a co-sponsor during the re-designation process, the name of the current Enterprise Zone shall be the Woodburn Enterprise Zone.

Section 2. Under ORS 285C.115, the City of Woodburn does hereby amend the boundary of the Woodburn Enterprise Zone, removing approximately 105 acres of not available land located west of Interstate 5 (Tax Lots 052W110000400, 052W110000500, 052W110000600, 052W140002400, and 052W140002500), as described and shown in Exhibit A; all properties included in the amended Enterprise Zone boundary are listed by tax lot description in Exhibit B.

Section 3. The City of Woodburn Economic Development Director, is authorized to submit documentation for this enterprise zone boundary change to the Oregon Business Development Department on behalf of the City of Woodburn for purposes of a positive determination in favor under ORS 285C.117.

Section 4. This Enterprise Zone boundary change takes effect on the date that this Resolution is adopted.
