4. **BUSINESS FROM THE AUDIENCE**

This portion of the agenda allows the public to introduce items for Board consideration not already scheduled on the agenda.

4a. Judy Bowen, 1841 Janson Way –

- Thank you for the dog area, like the current location at the Park's center.

4b. Stan Arms, 1315 Walton Way –

- Lives at the SE corner of the Park.
- A 17-year resident of Woodburn and 6 years at his current home in the Estates.
- The staff has been respectful and responsive to any inquiries.
- Concerned that placing the dog park at the south edge of the Park would decrease property values for those homes.
- All people walking from the south to the north of the Park would create traffic directly between their homes and the dog park's fence.
- If the dog park is in the center of the Park, it will provide equal access from all entry points.
- The current center location also provides better access for those who may park.

- Concern that having the area fenced will create a mud pit in the off-leash area versus the current off-leash area.

4c. Vicki, Address not heard

- Two chihuahuas, and she would like the idea of a fenced off-leash area.
- 2/3 persons she spoke to about the dog park would like it fenced.
- Would use Centennial Park Dog Park, but many people allow large dogs in the small dog area.

4d. Karen Linton, Address not heard

- Most of the people she has heard from would like a fenced area.

4e. Lisa and John Baker, Address not heard

- In the Park, 4 to 5 times per day.
- Don't want a fenced area.
- Like the current off-leash area, those who have used the off-leash area are respectful.
- Keep the dog area in the current location and how it is to prevent losing grass.

7. **DIVISION REPORTS FROM DEPARTMENT**

a. **Aquatics**

- After a busy summer with large numbers of youth joining our programs, we had a successful maintenance closure. Among the projects completed were drain cover replacements, hydrostatic valve tests, painting, pump seal repairs, and general repairs and cleaning.

- As we begin fall we are busy recruiting and training new staff. We are focusing on fitness each month this fall. September's focus is the AquaZumba program. October will focus on the Pilates program.
- In addition, we are planning our schedule of events for next year including the Underwater Egg Hunt, Water Safety Day, and the "\$5 Swim lesson week

b. Recreation

- The summer events went great
 - A. Estimated 6,000 persons on July 4th
 - B. Fiesta Mexicana saw a massive turnout at the parade and the event, 21,172.
 - C. Fiesta 2023 Dates: August 18-20
- Music in the Park 125-200 people each Tuesday night
- Summer Interns helped with events and pop-up the park activities
- Adult trips are back, one in October and December
- Trunk or Treat is coming up on October 29th
- BGC Program saw 15+ youth on first day of opening for the school year

c. Parks & Facilities

- Continued work on Museum and Theatre. I hope to have a grand opening in November.
- Burlingham Park lost its picnic shelter due to a large limb. We hope to replace the shelter in an ideal location in the next fiscal year (FY23-24)
- Additional Senior Estates Park Improvements include a shelter and drinking fountain. If the budget allows, new bench boards will be replaced with plastic material.
- 200+ volunteers did a massive community service project at Centennial Park to assist in spreading bark chips and bark dust.
